

**G-100 Series Gaskets
Standard Port Diameters**

The G-100 Series Gasket eliminates costly machining of O-Ring grooves. Dual Viton® or Buna-N seals are permanently vulcanized to a rigid aluminum frame. Mounting tabs fit standard 150 lb. ANSI bolt circles. Gaskets are suitable for pressures to 10⁻⁸ Torr.

Ordering Information

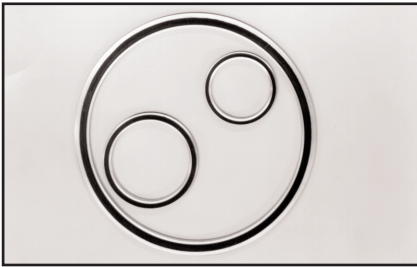

(Minimum Viton® order is 5 pieces.)

Model	ANSI 150# Size	Port Dia.	Buna N P/N	Price	Viton® P/N	Price
G-102	2 inch	2 1/8 inch	X701G102B	\$135.00	X701G102V	\$250.00
G-103	3 inch	3 1/8 inch	X701G103B	\$153.00	X701G103V	\$260.00

**The GL-Series Gaskets are
No Longer Available**

The vendors who provide the vulcanizing have consistently increased prices and it is no longer practical to produce this product, consider buying 'G' style described above instead of 'GL'.
