

Multi-Sensor Gauges and Gauge Tube Selector Switches

Display and Power Up To 7 Gauges

- Continuous Data Monitoring
- Continuous Linear Outputs
- Power Up to 7 Active Gauges
- 7 Separate 4-20 mA Outputs
- Digital LED Display
- 1/4 DIN Panel Mountable

Seven (7) position switch and digital LED display in a 1/4 DIN enclosure provides power and continuous 4-20 mA output from each gauge. Seven (7) RJ-45 female connectors available on rear panel, plus an optional DB-15 connector for the seven 4-20 mA linear outputs. Order cables with RJ-45 connectors separately. Power required is 100 to 240V, 50/60 Hz.

7 Channel Display and Power Supply, P/N: 902394, cables not included (see catalog page 28)..... \$442.

DB-15 Connector with 10 ft. cable to connect the linear analog outputs from the switch to your PLC or data system, DB-15 connector on one end. P/N: V801328 - 10 feet.....\$88.

3 or 5 Gauge Tube Selector Switch

Display the output of up to 5 gauge tubes by turning the switch. Each gauge tube selector includes 3 or 5 gauge tube cables 10 ft. (3 m) long and one 12 inch (30 cm) cable to connect to your gauge. Longer cables available.

Pirani, Diaphragm, Convection Gauges

3 Position Selector Switch, P/N: 902027 (see catalog page 41).....\$385.

5 Position Selector Switch, P/N: 902026.....\$520.

Wide Range Diaphragm Manometers

3 Position Selector Switch, P/N: 902156 (see catalog page 41).....\$439.

Low Cost 3 & 5 Position Vacuum Gauges

Vacuum gauge and switch built into a 1/4 DIN enclosure suitable for bench or panel mounting. Standard sensor cables are each 10 ft. long. Cables up to 500 feet are available.

.01 to 50 Torr, 5 Position, P/N: 902255 (see catalog page 24).....\$696.

.01 to 50 Torr, 3 Position, P/N: 902267.....\$641.

1 to 1500 Torr, 5 Position, P/N: 902256.....\$719.

1 to 1500 Torr, 3 Position, P/N: 902268.....\$662.

30" Hg to 150 PSIG, 5 Position, P/N: 902257.....\$803.

30" Hg to 150 PSIG, 3 Position, P/N: 902269.....\$747.

Selector Switch for Thermocouple Gauge Indicators, 3 or 5 Tube

Includes cables 10 ft. (3 m) long and connectors. Bench mount stand and carry handle optional. Gauge tubes not included. Cable length up to 500 ft. (60 m) available.

for use with 1 to 1000 mTorr Meter, VRC-6 or Hastings DV-6 Tubes

3 Position Selector Switch, P/N: 902113 (see catalog page 22).....\$402.

5 Position Selector Switch, P/N: 902181.....\$455.

for use with 1 to 2000 mTorr Meter, VRC-531 or Varian 531 Tubes

3 Position Selector Switch, P/N: 902293 (see catalog page 23).....\$402.

5 Position Selector Switch, P/N: 902294.....\$455.
