

Display and Power up to 7 Gauges

- Continuous Data Monitoring
- Continuous Linear Outputs
- Power Up to 7 Active Gauges
- 7 Separate 4-20 mA Outputs
- Digital LED Display
- 1/4 DIN Panel Mountable

7 position switch and digital LED display provides power and continuous 4-20 mA output from each gauge. Seven RJ-45 female connectors on rear panel, plus a DB-15 connector for the seven 4-20 mA linear outputs. Cables with RJ-45 connectors must be ordered separately. 1/4 DIN panel mountable. Power required is 100 to 240 V, 50/60 Hz.

7 Channel Display and Power Supply,
P/N: 902394, cables not included. **See catalog page 26**....\$519
DB-15 Connector with 10 ft. cable to connect the linear analog outputs from the switch to your PLC or data system, DB-15 connector on one end. P/N: V801328 - 10 feet\$58

3 or 5 Gauge Tube Selector Switch

Display the output of up to 5 gauge tubes by turning the switch. Each gauge tube selector includes 3 or 5 gauge tube cables 10 ft. (3 m) long and one 12 inch (30 cm) cable to connect to your gauge. Longer cables available.

Pirani, Diaphragm, Convection Gauges

3 Position Selector Switch, P/N: 902027. **See catalog page 39**\$452
5 Position Selector Switch, P/N: 902026.....\$611

Wide Range Diaphragm Manometers

3 Position Selector Switch, P/N: 902156. **See catalog page 39**.....\$515

Low Cost 3 & 5 Position Vacuum Gauges

Vacuum gauge and switch built into a 1/4 DIN enclosure suitable for bench or panel mounting. Standard sensor cables are each 10 ft. long. Cables up to 500 feet are available.

.01 to 50 Torr, 5 Position, P/N: 902255 **See catalog page 22**.....\$816
.01 to 50 Torr, 3 Position, P/N: 902267.....\$751
1 to 1500 Torr, 5 Position, P/N: 902256\$843
1 to 1500 Torr, 3 Position, P/N: 902268\$843
30" Hg to 150 PSIG, 5 Position, P/N: 902257.....\$942
30" Hg to 150 PSIG, 3 Position, P/N: 902269.....\$876

Selector Switch for Thermocouple Gauge Indicators, 3 or 5 Tube

Includes cables 10 ft. (3 m) long and connectors. Bench mount stand and carry handle optional. Gauge tubes not included. Cable length up to 500 ft. (60 m) available.

For use with 1 to 1000 mTorr Meter, VRC-6 or Hastings DV-6 Tubes

3 Position Selector Switch, P/N: 902113 **See catalog page 20**\$472
5 Position Selector Switch, P/N: 902181.....\$534

For use with 1 to 2000 mTorr Meter, VRC-531 or Varian 531 Tubes

3 Position Selector Switch, P/N: 902293 **See catalog page 21**\$402
5 Position Selector Switch, P/N: 902294.....\$455
